Subject: Briefing Document Update

Hello all—attached please find the briefing doc from last week. If you could please send me your updates by 1:00 I'd be most grateful.

You can simply send a sentence or two related to the movement on each case as an email message and I will insert them into the final document.

(This would be easier for me than combining six different edited documents).

Please send edits by 1:00 so I have time to combine and proof.

If you have any questions – I'm at:
Cheers--
